## ITINERARY

DAY 1 Kuala Lumpur → Nairobi

DAY 2 Nairobi

Arrive in **Nairobi**, one of Africa's most dynamic capitals and the only city in the world with a national park within its boundaries.

**Giraffe Centre (Entrance Included)** - Get up close and hand-feed the endangered Rothschild giraffe at one of Kenya's most beloved conservation sanctuaries. A memorable encounter and one of the most naturally photogenic moments of the trip.

After an unforgettable face-to-face encounter, sit down for a welcome dinner before retiring for the night.

Giraffe Centre

DAY 3 Nairobi → Maasai Mara

Depart to **Maasai Mara** by flight. *\*Flight schedules and aircraft types are subject to operational and weather conditions.*

**Maasai Mara National Reserve** is Kenya's most iconic safari destination, renowned for its sweeping savannahs, extraordinary wildlife density, and year-round abundance of resident wildlife. The Mara is home to the Big Five and one of Africa's highest concentrations of predators, which is spectacular in every season, at every hour.

**Afternoon Games Drive (Included)** - Your first taste of the Mara. Set out in **4x4 Safari Land Cruisers with pop-up roofs**, as the afternoon light turns the savannah gold. Your professional safari guide will navigate the plains in search of the Big Five.

Return to camp for dinner and an overnight stay.

Crescent Island Walking Safari

## DAY 4 Maasai Mara

Breakfast Lunch Dinner

**Morning Game Drive (Included)** - The Mara is most alive before 9am. Predators are on the move, herds are shifting, and the light is extraordinary. Head out at dawn with your guide for the best chance to witness the migration in full flow.

Return to camp for a short rest before heading out again for an **Afternoon Game Drive** as the heat softens and wildlife begins to move again. A different hour, a different energy, and often a different cast of characters entirely.

Maasai Village

## DAY 5 Maasai Mara

Breakfast Lunch Dinner

One last early start across the Mara. By now your guide knows your interests and where the action has been. This **Morning Game Drive** is sharper, more focused, and often the most rewarding of the stay.

**Maasai Village (Entrance Included)** - Step outside the wilderness for a moment and into a different kind of experience entirely. Inside a traditional Maasai boma, experience East Africa's warrior culture up close. Enjoy a welcome dance, a guided village tour, and insights into traditions passed down through generations.

Head out for your final **Afternoon Game Drive** across the Maasai Mara. The migration moves daily and no two drives are ever the same. A fitting close to three days in one of Africa's greatest wilderness areas, before returning to camp for dinner and an overnight stay.

Lake Naivasha Boat Ride

Lake Elementaita

## DAY 6 Maasai Mara - Lake Elementaita - Naivasha 317KM

Breakfast Lunch Dinner

Journey south through the spectacular **Great Rift Valley**, covering 317km on a mix of paved and unpaved roads as the landscape opens up to rolling escarpments and highland scenery.

**Lake Elementaita [UNESCO] (Entrance Included)** - One of Kenya's best-kept secrets. Flamingos wade in the shallow soda lake, pelicans glide overhead, and volcanic hills frame the stillness of the water. A peaceful and photogenic stop that most visitors to Kenya never discover.

Continue to **Naivasha** for dinner and overnight stay.

## DAY 7 Naivasha - Nairobi 136KM

Breakfast Lunch Dinner

**Lake Naivasha Boat Ride (Return Trip Included)** - Glide across the tranquil lake, where hippos may surface and birdlife drifts above the reeds in a serene wildlife haven. *\*Subject to weather conditions.*

**Crescent Island Walking Safari (Entrance Included)** - Giraffe, zebra, and wildebeest roam at close range as your guide leads you across peaceful open plains. Unlike a typical game drive, here you experience the bush entirely on foot. One of the few places in Kenya where this is possible.

Browse handmade crafts by Kenyan artisans at **Utamaduni Craft Centre**, before making your way back to **Nairobi**.

**African Dinner with Performance (Included)** - Round off the evening with traditional nyama choma and grilled meats, followed by an energetic cultural show and an overnight stay in **Nairobi**.

Nyama Choma

African Dinner with Performance

**Karunguru Estate Coffee Farm Visit (Entrance & Lunch Included)** - enture into the lush highlands of Kiambu, Kenya's premier coffee-growing region. Enjoy a guided journey from cherry to cup, walking the estate, observing the process, and tasting some of East Africa's finest coffee. Afterwards, sit down to a relaxed lunch before making your way to Nairobi. *\*Coffee activities may vary by season.*

Enjoy some free time in **Nairobi** before transferring to the airport for your flight home.

The adventure comes to an end. Till next time!

**Karunguru Estate Coffee Farm Visit**

## About the Great Migration

Every year between July and September, over a million wildebeest and hundreds of thousands of zebra move north from the Serengeti into the Maasai Mara in search of fresh pasture. One of the greatest wildlife spectacles on earth. The most dramatic moments are the Mara River crossings, where massive herds plunge into crocodile-filled waters.

**Weather:** Warm afternoons around 25°C and cool mornings around 12°C.  
**Please note:** The migration is a natural event and cannot be guaranteed. River crossings are unpredictable by nature. That is part of the experience.

# THE BIG 5

*Please note that safaris are unpredictable, and there is no guarantee that you will see every animal on your list.*
